## Objective

Dedicated Supply Chain Professional with hands-on experience in SAP MM, procurement, inventory management, vendor coordination, and P2P operations. Proficient in managing purchase orders, reconciliation, replenishment, and supply chain reporting. Eager to contribute analytical and operational expertise to optimize procurement processes and support business growth.

## Experience

December 2025 -

### **Accenture (APOGEE Services Pvt. Ltd.)**

#### Supply Chain Analyst Procure-to-Pay (P2P) Operations

- Created and managed Purchase Orders (POs) in SAP MM as per business requirements and procurement plans.
- Performed material consumption postings and inventory transactions in SAP MM to ensure accurate stock records.
- Conducted order and inventory reconciliation to identify and resolve discrepancies between system records and physical stock.
- Followed up with suppliers, logistics partners, and internal stakeholders to ensure on-time delivery of materials.
- Monitored open purchase orders and proactively resolved delivery delays and supply issues.
- Supported inventory management activities to prevent stock shortages and improve material availability.
- Maintain operational reports and tracked procurement, inventory, and delivery performance metrics.
- Tracking operational KPIs, transaction accuracy, and Turnaround Time (TAT) to meet service-level requirements.

June 2024 -  
November 2025

### **Corbus LLC**

#### Supply Chain Associate

- Managed end-to-end procurement and supply chain operations for global clients.
- Created and maintained Purchase Orders (POs) and Sales Orders (SOs) using SAP MM and other ERP systems.
- Monitored order lifecycle from order creation to final delivery, ensuring adherence to SLA and TAT requirements.
- Coordinated with suppliers, planners, warehouses, and logistics teams to ensure on-time material availability and delivery.
- Supported supplier onboarding, vendor communication, and compliance with procurement policies and procedures.
- Resolved supply chain issues related to shortages, delayed deliveries, damaged goods, and order mismatches.
- Managed vendor relationships by maintaining regular communication, resolving operational issues, and ensuring smooth procurement processes.

December 2023 -  
May 2024

### **Gulati Oils India Pvt. Ltd.**

#### Management Trainee
